Larry and Elaine Conger are talented musicians and composers. Both hold degrees in music and are noted teachers as well as performers. They continually publish delightful arrangements for the mountain dulcimer. They annually direct the Dulcimer U at Western Carolina University, their own Duet Dulcimer Retreat in Kentucky and a September on the Mississippi Retreat in Natchez, Mississippi. Their duet arrangements are outstanding and feature beautiful harmonies. We feel fortunate that the Congers have agreed to come teach these workshops and offer an afternoon concert.
